

THE AMERICAN LEGION DEPARTMENT OF TEXAS

OFFICIAL GUIDELINES FOR THE EMT/PARAMEDIC OF THE YEAR

Pursuant to action by The American Legion, Department of Texas, Department Executive Committee, there was established The Department of Texas EMT/Paramedic of the Year Award. This is a yearly award established to recognize an outstanding EMT/Paramedic within the State of Texas. This award will be presented at the succeeding Department Midwinter Conference.

To determine the winner of the EMT/Paramedic of the Year:

1. Each Post should select a candidate from their community for this award
2. In making a recommendation, Posts should bear in mind that the EMT/Paramedic recommended need not have performed as outstanding feat during the year in order to be eligible. The award should go to that EMT/Paramedic who, for a number of years, has turned in an outstanding performance of his/her duties. This does not rule out the possibility that this same EMT/Paramedic might, during the course of the current Legion year, have performed some feat which adds to his or her already impressive record.
3. Posts within the Department of Texas shall use the EMT/Paramedic application form, on which the Post's certification for the award winner is to be listed. The endorsed Post application shall be forwarded to their District Commander prior to their Spring District Convention.
4. It shall be the duty of each District Commander to appoint a committee of up to five (5) Legion member of the District, whose duty it will be to screen all applications and determine one (1) District winner. The District winner may then be endorsed by the District membership. **Districts may only submit one entry.**
5. The winning District application shall then be endorsed by the District Commander and District Adjutant and be forwarded to the Department Headquarters by **June 1st of each year.**
6. At the Annual Department Convention, the Department National Security Commission will review all District winners and select one to be recognized as "The Department of Texas EMT/Paramedic of the Year."
7. The declared winner of the EMT/Paramedic of the Year Award will be invited to attend the next Department Midwinter Conference for presentation of the award.

The National Security Commission will select the EMT/Paramedic, who in the opinion of the Department of Texas best exemplifies the traits and characteristics of a good EMT/Paramedic; one who goes about his/her daily duties in the protection of life and property of others. We must all know, in making our recommendations, that only one person will be the eventual winner and his/her selection will be made by the Department Commission, Thus, applications should be as thorough as possible before submitting them to the District.
