

MONTHLY HUBMASTER REPORT

JUNE 2011

I. Not much to report as we are nearing the end of our membership year.

However, the main topic for this month is to get your certification of officers into Dept as soon as your election takes place. You do not have to wait until installation to send in your information.

II. Of importance is the Consolidated Post Report. You can go onto Dept Web and pull up the pdf to do it on line. Please get it in asap.

III. See you at the Dept Convention in Odessa. The 4th Div does a great job hosting Dept Conventions; this one will be no exception. So don't miss it.
